Subject: NOAA Communique

Are you kidding me?!? Are you kidding the nation?!? No, you're not kidding anyone, except perhaps yourself.

<https://www.washingtonpost.com/weather/2019/09/06/noaa-backs-president-trump-alabama-hurricane-forecast-rebukes-weather-service-office-that-accurately-contradicted-him/>

I used to work with dozens of NOAA scientists and had the greatest respect for them. You shame them, and the work they do, with this Tweeted support of Trump and his infantile lie, and admonition of the professionals in your NWS Birmingham office.

You, and your office, are pathetic ... absolutely pathetic.

With utter lack of respect,

Dave Carlile
